Neptronic at the 2022 AHR Expo in Mexico

Montreal, Canada | July 15th, 2022 - Neptronic will exhibit alongside our agent Haften and other HVAC firms at the 2022 AHR Expo at the Guadalajara Convention Center in Guadalajara, Jalisco. We will be displaying numerous units of our humidifier lines and heaters.

Event attendees will have the opportunity to meet and interact with teams of informed professionals from Neptronic and [Haften](#). If you require any additional information or want to try demos of our products, we will be pleased to welcome you. Come and meet our team and view our products from **September 20th to September 22nd** at **booth #327**.

The show has been taking place since 1997, is held every other year, and rotates between major cities in Mexico. Over 8,000 industry experts from Mexico, Latin America, and other nations worldwide are anticipated to attend the event, which will feature the products of over 350 exhibitors. The event offers a one-of-a-kind experience developed just for the HVAC&R community, where experts can gather to exchange innovative products and ideas.

We are grateful for your continued support and look forward to seeing you this fall.

About Neptronic

Neptronics' equipment is the first choice for air conditioning manufacturers and designers due to our experience in the manufacturing of humidification equipment, our practical redesigns in maintenance, precision in operation and low energy consumption, all thanks to our new patented designs.

Our dedicated team of over 300 experts designs and manufactures all our products in Montreal, Canada, where our 10,126m² (109,000 sq. Ft.) facility stands proudly. Our exclusive distribution network provides comprehensive solutions to our customers around the world.
